

Heritage Register Membership Application

Step 1: Create Account | Step 2: Business Details | Step 3: Select Categories | Step 4: Payment

You have requested to create an entry in the Heritage Register. Your application will provide us with the essential information to create you a listing including contact information, logo, a summary of your business and membership details. More information can be added at a later stage. Application is a four stage process and will take 15 minutes.

Step 1: Create Account or Login

Create an account with us. This account will give you a login and password to the site and allow you to create an entry in the Heritage Register; we will also use these details to send you correspondence.

If you have not previously set up an account, creating one couldn't be easier. To set up your account and continue with your application [click here](#)

If you already have an account with us, please sign in below to continue with step two of your application.

ProjectBook Login

To proceed you will need to log in to your ProjectBook account. If you have not yet signed up, please [click here](#)

Step 2: Business Details

Welcome to the second step of the sign up process - completing your business details. Please complete each section below as carefully as possible.

To help you through this as quickly as possible, you will find it useful to have to hand the following information:

- Your company profile text (**Please remember** this content can be altered at any time after registration. The simplest way to supply an overview of your company is to copy and paste some content from your own website.)
- Details of any relevant professional/trade qualifications.
- Details of any memberships to professional organisations and your membership status.
- Your insurance policy details.
- Your credit/debit card (other methods of payment available.)

For security purposes, this application form will timeout after **60 minutes**.
